SUBJECT: PESTICIDE SAFETY INFORMATION SERIES (PSIS)

The Worker Health and Safety Branch has completed its annual revision to the Proposition 65 chemicals list in PSIS A-8, A-9, and N-8. The 45-day public comment period is complete, and these documents are now available on-line in English at (<http://www.cdpr.ca.gov/docs/whs/psisenglish.htm>) and in Spanish at (<http://www.cdpr.ca.gov/docs/whs/psisspanish.htm>).

Printed versions will be available from the Division of Pest Management, Environmental Monitoring, Enforcement and Licensing around December 1, 2004. We suggest you send in your orders for these new leaflets as soon as possible to help us get a better idea of how many to print.

If you have any questions regarding this project, please contact Sue Edmiston of my staff at (916) 445-4278, or [sedmiston@cdpr.ca.gov](mailto:sedmiston@cdpr.ca.gov).

Sincerely,
